

EEA GRANTS 2014-2021
PROGRAMME EDUCATION - CZECH REPUBLIC
CONTACT SEMINAR

Centre of International Cooperation in Education (DZS), acting as the Czech Programme Operator of the Programme Education funded by the EEA Grants 2014-2021, invites representatives of educational institutions from Iceland, Liechtenstein and Norway to participate in the contact seminar with the aim to strengthen their bilateral cooperation with Czech schools.

The contact seminar will enable participants to form partnerships and develop project ideas for the upcoming calls for proposals. In addition to networking opportunities, the participants will learn about the funding possibilities offered by the Programme Education as well as the process of creating a project and submitting a grant application.

The working language will be English.

**October 22-24, 2019
Prague**

Seminar is free of charge. The organiser (DZS) will arrange meals and accommodation (for two nights) for all the participants according to the seminar agenda. The participants have to arrange and pay for the travel themselves, but will then be reimbursed for it (in the amount of up to 20 000 CZK, ca. 770 EUR) on the basis of documents submitted to DZS.

The seminar is open to representatives of the following institutions/organisations:

Iceland, Liechtenstein, Norway - any legal entity interested in project cooperation, preferably:

- primary and secondary schools (including VET schools)
- companies and enterprises collaborating with VET schools

Czech Republic:

- primary and secondary schools (including VET schools)

Interested in attending the seminar? Please fill out the **registration form** by **Sept. 15, 2019**.

Approximately 15 participants from Iceland, Lichtenstein and Norway (one participant per institution) and 30 participants from the Czech Republic are expected to participate. If there are more applications than space, the participants will be selected according to their motivation as stated in the registration as well as their profile compatibility.

Please note that participants are expected to be able to take part in the whole programme, not just its part(s).
